**Old Business**

- Waste Management update- Question on the cost of current recycling. It doesn't seem like the town is saving anything, the cost has increased. P. Lachapelle suggests putting a limit on the trash allotted amount. He thinks the town needs to promote recycling more. J. Hotchkiss suggest sending a letter to all residents outline the program, possibly with a flier. P. Lachapelle will get back to the town with a possible mail out to accompany the letter, he will also check to see if there are any stickers available. If the town does not have at least 80% of participation, the savings will probably not happen. J. Hotchkiss suggests sending out the information in the tax bills. L. Parker will check with the tax collector to see if that is possible.
- Discussion on the offer for a parcel on Pine Ridge Road. Interested party will pay the \$3,000 plus all the back association cost due on the property. J. Hotchkiss motions to accept the offer as long as the town receives in writing that all back association fees will be paid by purchaser. Schwarz seconds.
- Re-visit quote for Police Department door. Cost would be \$750.00 for a new door with installation. M. Schwarz motions to put this on next year's municipal maintenance budget. J. Hotchkiss seconds, all in favor.
- Discussion on setting up the budget meeting schedule. Board decided on Wednesday December 2, 2015 starting at 3:00 PM. L Parker will make up a schedule for board to approve before sending out to all department heads.
